**AGREEMENT TO PURCHASE REAL ESTATE
AT PUBLIC AUCTION**

THIS AGREEMENT TO PURCHASE REAL ESTATE AT PUBLIC AUCTION (later called the "Agreement"), made and entered into as of this 10th day of May, 2024 by and between HARRIET JEAN NOWLIN TRUST, Marga Hoelscher, Trustee (collectively later called the "Seller"), and _____ (later called the "Purchaser"), as the highest bidder on the property (as defined in Paragraph 1) at the public auction on this date (the "Auction"), is made subject to the following terms, covenants and conditions:

1. **PROPERTY:** Seller agrees to sell and Purchaser agrees to purchase tract(s) _____ sold as a total amount and/or tract(s) _____ sold on a per acre basis with approximately _____ total acres of real estate situated in Audrain County, MO. Purchaser hereby acknowledges and understands that the Property is being sold on an "as is where is" basis. Purchaser further acknowledge that this Agreement is not contingent upon financing and that failure to close this transaction on or before Tuesday, June 25, 2024 due to any delay caused by Purchaser shall constitute a forfeiture of the Earnest Money.

2. **PURCHASE PRICE:** Purchaser agrees to pay to the Seller the total sum of

(the "purchase price") subject to acreage determination by survey. Purchase price is figured from:

Upon execution of this agreement, the Purchaser will pay by check and not in cash

(which amount is equal to ten percent (10%) of the Purchase Price as Earnest Money made payable to and to be held in the escrow account of Audrain County Title as escrow agent, there under for delivery to the Seller at the time of closing or as otherwise provided for herein. The balance of the Purchase Price shall be paid by Purchaser to the Seller at closing in cash or form of payment acceptable to the Seller.

3. **TITLE:** Seller shall furnish Purchaser with an Owners Title Insurance Commitment (Title Commitment), issued by Audrain County Title. Title insurance premium policy is to be split 50/50 between the buyer(s) and seller. The Title Commitment shall commit the subject title company to issue Purchaser its standard owner's policy in the amount of the purchase price, showing title to the Property in the name of the Seller.

In the event that the Seller is unable to convey the Property in accordance with the terms of this agreement, Purchaser shall elect to either (a) take the Property encumbered with the objectionable exceptions to the title and waive any and all objections thereto without abatement of the Purchase Price, or (b) receive a refund of the Earnest Money, and upon such refund being made, this Agreement shall terminate and be of no further force and effect.

4. **SURVEY:** If survey is necessary, survey shall be provided at Seller's expense a new survey reflecting the legal description, acreage and boundary lines for any Tract of the Property where there is no existing legal description or where new boundaries are created by the divisions of Tracts at the Auction. Any need for a survey shall be determined at the sole discretion of the Seller. If a new survey is determined to be necessary by the Seller, the Purchase Price shall be adjusted to reflect any difference between the bid acreage and the surveyed acreage. Purchaser will then have a revised Purchase Price calculated by Multiplying the surveyed acreage by the actual Purchase Price per Acre indicated in Paragraph 2.

5. **CLOSING AND POSSESSION:** The "Closing" shall take place on or before Tuesday, June 25, 2024 at the office of Audrain County Title at a time designated by the Seller and agreed upon by Purchaser. Concurrently with the Closing, Purchaser shall pay to the Seller the Purchase Price, less the Earnest Money as provided for herein. Upon full receipt of the entire Purchase Price by Seller, Seller shall deliver to Purchaser special warranty deeds from each selling entity conveying title in the property to the Purchaser. Purchaser shall pay the charge for recording the Deed. Seller and Purchaser agree to execute any real estate transfer declarations required by the state, county or municipality in which the Property is located. The Seller and Purchaser agree to provide and to execute such further documents as may be necessary or customary to close this Agreement (e.g., Seller Affidavit; FITPA Affidavit; Organizational documents and closing statement) Closing fees to be split equally.

6. **CASUALTY:** Seller will keep the Property and Improvements insured until closing. If the improvements on the property are substantially damaged or destroyed by fire or other casualty prior to closing, then Buyer will have the option of accepting all of the insurance proceeds and proceeding to close this Agreement, or terminating this Agreement. If this Agreement is terminated due to this paragraph then the earnest money will be returned to the Buyer.

7. **WARRANTIES:** Purchaser acknowledges that Purchaser has been given an opportunity for a full inspection of the property and related information and further acknowledges with respect to this agreement that Purchaser is satisfied in all respects with the condition of the Property and all matters pertaining thereto. Purchaser accepts the Property "as is" and in its present condition with Purchaser assuming risk thereof. Purchaser understands that Seller makes no warranty or representation of any kind, either implied or expressed or arising by particular purpose of the Property or any portion thereof, and in no event shall Seller be liable for consequential damages. Purchaser acknowledges that Seller has not agreed to perform any work on or about the Property as a condition of Purchaser's purchase of it.

8. **MINERAL RIGHTS:** One hundred percent (100%) of the mineral rights owned by Seller with respect to the Property, if any, shall be conveyed to Purchaser at Closing.

9. **REAL ESTATE TAXES AND ASSESSMENTS:** The 2024 Audrain County property taxes will be pro-rated to the date of closing.

10. **DEFAULT:** If Purchaser fails to perform any obligation imposed by this Agreement, Seller may serve written notice of default upon Purchaser and if such default is not corrected within ten (10) days thereafter, then, at the option of the Seller, this Agreement shall terminate and the Seller shall be entitled to retain the Earnest Money paid hereunder as liquidated damages. The foregoing remedy in the event of default is not intended to be the exclusive remedy of Seller, and Seller shall have the right to seek any other remedies available at law or equity, including but not limited to specific performance. Default by Purchaser shall entitle Seller to court costs and reasonable attorney's fees incurred in enforcing the provision of this Agreement.

In the event of failure of Seller to perform the obligations imposed by this Agreement, Purchaser's sole remedy hereunder is to terminate this Agreement and receive a refund of the Earnest Money upon similar notice served upon Seller and similar expiration time period.

The Escrow Agent, upon receiving an affidavit from the non-defaulting party stating that this Agreement has been terminated as provided herein, shall be entitled to rely upon such affidavit and shall deliver the earnest money to the non-defaulting party.

11. **ENVIRONMENTAL:** The Purchaser acknowledges that the Seller has not made and hereby disclaims any and all representations and warranties, either express or implied, regarding the environmental condition of the Property. The Purchaser shall rely upon its own independent investigation, inspection, inquiry, analysis, and due diligence to evacuate and ascertain the environmental condition of the Property. The Purchaser has been advised that the Property is being sold "as is, where is" and that Seller is not representing or warranting that the condition of the Property is in accordance or compliance with any past, present, or future federal, state or local environmental laws, regulations, requirements, or standards.

As a matter of corporate policy, Seller makes it a practice to expressly advise any purchaser that the improvements on the Property include materials, which may contain asbestos, and encourages Purchaser to investigate specifically whether asbestos containing materials exist on the Property.

The Purchaser acknowledges that it has conducted its own independent investigations, inspections, inquiries and due diligence concerning the Property.
